Dear Sir/Madam,

Medical Practitioners Tribunal determination

I am writing to advise you of the outcome of a recent Medical Practitioners Tribunal (MPT). The doctor named below qualified in Italy and I am therefore notifying you as part of our commitment to information exchange between medical regulators.

Name: Dr Lucy Wanjiku MAHINDA

Date of birth: 22/10/1960

GMC reference number: 7023310

Registered qualifications: State DMS 1999 Università di Padova

Sanction and date: The MPT determined to erase Dr Mahinda's name from the medical register.

The doctor may appeal against this decision. Any appeal must be lodged on, or before 7 August 2016. If you do not hear from us within two weeks of this date, you should assume that no appeal has been lodged and that the sanction has taken effect.

In order to practise medicine in the UK, a doctor must hold registration and a licence. Doctors who choose not to hold a licence still maintain registration with the GMC, in order to demonstrate they are in good standing, but must refrain from practising medicine.

The MPTS makes impartial decisions in doctors' fitness to practise hearings. The MPTS is part of the General Medical Council, but it is operationally separate and it is accountable to Parliament

The GMC is a charity registered in England and Wales (1089278) and Scotland (SC037750)

The doctor's registration and their licence to practise remains suspended because of a previous order by the tribunal.

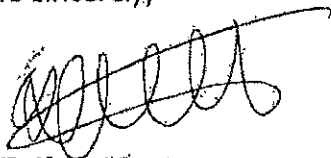

Under Section 41C of the Medical Act, the doctor's licence will be withdrawn for the period of the suspension of their registration. This means that:

- They may not hold any appointment as a medical practitioner for which registration and a licence are required;
- Privileges attached to the licence to practise are not open to them whilst their registration is suspended;
- They should not undertake activities such as prescribing or signing statutory certificates whilst they are suspended.

All Medical Practitioners Tribunal decisions will be disclosed on our website at www.mpts-uk.org. Confidential information about a doctor's health is not disclosed. Decisions of the all the Medical Practitioners Tribunal decisions are also included in the List of Registered Medical Practitioners (LRMP) search facility on the GMC website at: www.gmc-uk.org.

If you would like to receive the MPTS's monthly Decisions Circular, please contact Ms Dawn Magill at DMagill@mpts-uk.org

Yours sincerely,

Ms Esther Morton
