Live your exclusive experience inside History, Art and Beauty

La Bella Palermo is your private residence in the noble floor of
Palazzo Pantelleria located in the center of Palermo

PALAZZO PANTELLERIA

Palazzo Pantelleria was built in the late 1300's near the harbor as a fortified outpost overlooking the sea. In the sixteenth century, the building was purchased by an important Spanish family, the Requesenz, who transformed it into a noble Palace.

The palace moved through several metamorphosis till the end of 1700, when the architect Del Frago redesigned the façade of Valverde square (now Largo Cavalieri di Malta).

At the beginning of the new millennium, the main floor was acquired by the current owner who created his "buen retiro". It was recently opened to an audience of international travelers eager to experience an environment rich of works of art and history.
